

1) Fold and Find Center on Bottom of the graphic.

2) Align center of graphic on center of hub.

3) Align Velcro to bottom and attach at hub only.

4) Tension graphic from hub to hub. Starting in center and moving to ends.

5) Tension to the end leaving side flap loose.

6) Repeat steps 3-5 to complete the bottom. And repeat full sequence for the top of the graphic.

7) Stand frame and tension the sides.
